

## Help Improve Connection with a Family Doctor or a Nurse Practitioner

---

### Are you having trouble finding a family doctor or nurse practitioner?

Primary Care Alberta is working on a project to make it easier for people to get connected with a family doctor or nurse practitioner—and we want to hear from you! We are looking for a few people to partner with us and share what matters to you.

#### Who Can Join?

You may be eligible to take part if you're 18 or older and live in Alberta (urban or rural) and have experienced one or more of the following:

- You don't have a regular family doctor or clinic
- You've had trouble finding a doctor or nurse practitioner
- You have a family doctor or nurse practitioner who is either unavailable or difficult to access in a timely manner
- Your doctor retired or left their practice
- You've had challenges getting primary health care services in your community

#### What You'll Do as a Volunteer Patient Partner

- Be part of **online discussions** to share your experiences and ideas
- Share your challenges finding and staying connected to a family doctor or clinic
- Represent patient voices in the development of resources and strategies

#### When

- **September to November 2025**

#### Interested?

Email [Patient.Engagement.PCA@PrimaryCareAlberta.ca](mailto:Patient.Engagement.PCA@PrimaryCareAlberta.ca) to get involved or ask questions.

**Your voice matters. Help make health care better for all Albertans.**
